

“Breakfast Plans”

“So, big party at Ashley’s tomorrow night.

Everyone will be there,
except her parents.

Even David will be there

And I think I’m finally ready.

I guess there’s got to be a first time for everyone.

And David said he would bring something to help me relax.”

Dad: “Hey hon, what are you doing this weekend?”

Do you know what your kids are really doing?

Parents matter.

Make the most of it.
